

New York City / Long Island Section Convention

January 20, 2002

WELCOME TO HRU 2002!

This is a special day of education for amateur radio. Many ham radio clubs and organizations in the New York City/ Long Island area have set up tables with information about their group. Please take this opportunity to learn about them - where they meet, special events, membership and services. There are twenty one technical forums scheduled today starting at 9 am on all aspects of amateur radio. See the chart on the back for specific rooms/times. In addition, there will be an ARRL VE session given by the Great South Bay ARC at 3:00 PM today. The committee welcomes you and hopes you enjoy Ham Radio University 2002!
